SUBJECT: Permission to copy the State of Delaware's Driver's License Manual

Dear Ms. Deardourff:

Thank you for your letter of March 9, 2006 regarding the National Safety Commission, Inc. (NSC) and that organization's interest in using a copy of the Delaware Driver's License Manual for a safety training program.

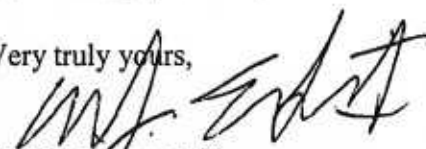

By this letter, the Department of Transportation's Division of Motor Vehicles (DMV) agrees to and grants a nonexclusive, noncommercial, nontransferable, royalty-free license for the copying and use of its current Delaware Driver's License Manual by the NSC for the purposes outlined in your letter. Any such use is conditioned by the requirements to place the following copyright legend with all copies of the Manual "© State of Delaware". In addition, NSC shall be responsible for assuring that it is using the most recent edition of the Manual for this project. The DMV agrees to make a copy of the most recent Manual available to NSC for this project upon written request.

If your client agrees to these conditions, please have an authorized person on behalf of NSC execute this letter in the space provided below.

Thank you for the opportunity to work with NSC on this worthwhile effort.

PRESIDENT, NATIONAL SAFETY COMMISSION

Very truly yours,

W. G. Edmanson II
