Re: Permission to Copy the State of Massachusetts Driver's Manual

Dear Attorney Deardourff:

Enclosed please find the signed permission by the Registrar of Motor Vehicles, Anne Collins, to distribute the Massachusetts Driver's Manual on-line. This permission is conditioned upon the unaltered duplication of the manual. Further, it is important to note that the Registry of Motor Vehicles quarterly updates this manual.

For your client's convenience the Massachusetts Driver's Manual can be accessed thru the Registry's internet site at www.mass.gov/rmv.

If you have any questions regarding the manual, please contact me at (617) 723-7206.

Very truly yours,

Marjorie S. Weinberger
Legal Counsel

Re: Permission to Copy the State of Massachusetts's Driver's Manual

Dear Madam and/or Sir:

Holland & Knight LLP represents the National Safety Commission, Inc. ("NSC"). NSC is one of the largest providers of online driver education in the country providing safety training to over 300,000 students each year. NSC has partnered with the United States Secretary of Transportation to increase consumer awareness of important safety issues through education and outreach programs.

Now, the NSC intends to create a Safety Publication for the State of Massachusetts which will include the state's Driver's Manual contents and distribute it to thousands of consumers at no charge. This will likely impact your Department in two ways by (1) reducing the number of handbooks that will need to be printed since many consumers will already have a copy and (2) reduce lines at Driver's License offices since the number of consumers who are there to simply pick up a handbook will be significantly reduced. This publication will be distributed in early 2007, however, in order to ensure compliance with federal copyright laws, the NSC is seeking permission to copy your Driver's Manual for its safety publication.

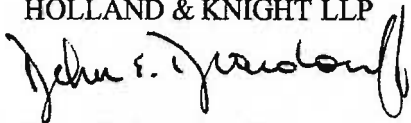

Thus, the NSC seeks permission to copy the State of Massachusetts's Driver's Manual. Please sign this letter as an acknowledgement of the NSC's permission to copy the State of Massachusetts's most recent Driver's Manual.

If possible, we would greatly appreciate to have permission granted by March 24, 2006. For your convenience, a pre-paid Federal Express envelope has been included. Thank you for your attention to this matter. If you have any questions, feel free to contact me at (813) 227-6356.

Sincerely,

HOLLAND & KNIGHT LLP

Debra E. Deardourff

DED:sc

On behalf of the State of Massachusetts, we grant National Safety Commission, Inc. permission to copy the State of Massachusetts's Driver's Handbook or Manual.
