Dear Ms. Deardourff:

Some time ago you wrote to the New Jersey Motor Vehicle Commission ("MVC") on behalf of your client, the National Safety Commission, Inc. ("NSC"), seeking permission to copy the State of New Jersey's Driver Manual for use in a NSC Safety Publication. I apologize that some time has passed since your initial request, but the MVC has been busy fine tuning the driver manual and, as such, was not ready to make a determination regarding its use in your client's planned publication. The MVC is now in a better position to consider your client's request and enclosed herewith you will find an Agreement for Permission to Copy the State of New Jersey-Motor Vehicle Commission Driver Manual (the "Agreement").

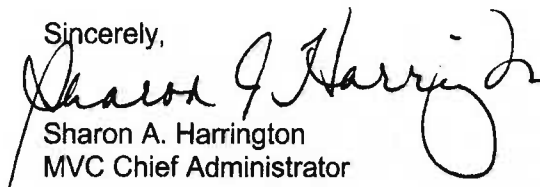

If your client agrees to the terms in the Agreement, please have an authorized person execute the Agreement on behalf of NSC and then return it to the MVC at the following address:

New Jersey Motor Vehicle Commission
Attn: Steve Robertson, Esq.
225 East State Street
PO Box 162
Trenton, NJ 08666-0162

The MVC will then execute it and return a copy to you.

If you have any questions concerning this matter, please contact Steve Robertson, Director, MVC Legal, Legislative and Regulatory Affairs, at 609-984-7577.

Sincerely,

Sharon A. Harrington
MVC Chief Administrator

Dear Ms. Harrington:

Enclosed is the executed agreement for permission to copy the New Jersey State MVC Driver Manual. Thank you very much for providing the National Safety Commission permission to re-print this document within our publication, Directions 101. We look forward to providing the citizens of New Jersey with highway safety information in our publication, as well as important college and career guide information.

We will contact your staff toward the end of the year for the latest update of the manual. We anticipate distributing Directions 101 in the second quarter of 2008 and will forward a courtesy copy for your records. Thank you, again, for granting permission.

Best regards,

Ken Underwood
