MEMORANDUM of UNDERSTANDING
BETWEEN
THE STATE OF VERMONT AGENCY OF TRANSPORTATION DEPARTMENT OF
MOTOR VEHICLES
and
NATIONAL SAFETY COMMISSION, INC.

SUBJECT: Use of Vermont Driver's Manual

1. This Memorandum of Understanding sets out the understanding of the parties as to the use to be made by the National Safety Commission, Inc. ("the NSC") of the Vermont Driver's Manual ("the Manual") published from time to time by the State of Vermont Agency of Transportation Department of Motor Vehicles ("the DMV").
2. The NSC provides online driver education and safety training to over 300,000 high students each year. The NSC, among other activities, publishes "Directions 101," a 160-page annual publication distributed free of charge to high school students across the country, which includes information on obtaining a driver's license and on safe driving, among other things. NSC now intends to create a safety publication for the State of Vermont to be distributed free of charge. NSC wishes to copy and include the Manual in its Vermont safety publication.
3. The DMV does not object to this use of the Manual and to the extent its permission may be required for the above-described use of the Manual herewith grants such permission. The NSC for its part undertakes to use the then-current version of the Manual, and any then-applicable updates in any publication and to stay informed of any new versions and updates to the Manual. The NSC further undertakes to provide the DMV with a copy of products developed by the NSC that include the Manual.
4. This Memorandum of Understanding may be terminated by the DMV if the NSC fails to include in any publication the then-current version of the Manual and any then-applicable updates to the Manual.
5. The current version of the Manual is the 48th edition, titled "Vermont 2005 – 2006 Driver's Manual."
6. No monetary consideration is required by or has been given to the DMV for the use of the Manual described above.
7. This Memorandum of Understanding is effective January 1, 2007 and will continue in effect without need for periodic renewal.
